

Donate your British and overseas stamps to the SBCC

Launched in 2001 the Scottish Burned Children's Club is an organisation that provides a network of support to burn survivor children [under the age of 18] and their families dealing with the lifelong scars of burn and scald injuries.

We provide positive support to burn-injured children and help them realise that, although their body image has been altered, their hopes and dreams are just as achievable as any other child's.

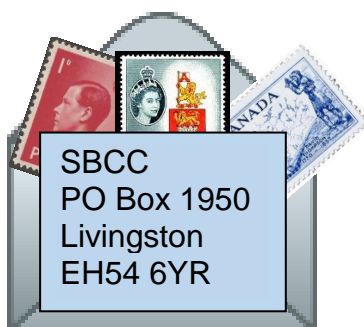

We are a registered Scottish charity, registration number SC032376 and our website [www.theburnsclub.org.uk] will give you an understanding in what we are trying to achieve and how we accomplish this.

Funded by sponsorship and donations the charity is organised and run by volunteers.

We can raise money from British and overseas new and used stamps. We also collect first day covers, presentation packs and albums.

How to donate used stamps:

Please cut the stamp off the envelope. When cutting, leave approximately 1cm of envelope bordering each stamp. The rest of the envelope can be discarded (which will make it cheaper to send), please send your collected stamps to:
